## **Join the Cast of the Renaissance Pleasure Faire**

IRWINDALE, California (January 21, 2009) ... Wanted: Talented, interactive, energetic performers to serve as time travel guides. The Time: The English Renaissance. The Place: The Renaissance Pleasure Faire at the beautiful Santa Fe Dam Recreation Area in Irwindale, CA. The Travelers: An audience of thousands looking for an opportunity to experience YOU!

The Renaissance Pleasure Faire offers a range of unique performing opportunities. We emphasize performer/audience interaction; performers create their own dialogue on the spur of the moment, and experience immediate response from each audience member. The Renaissance Pleasure Faire is casting improvisational actors and historical re-enactors for the run of the Faire to portray the many varied citizens of our exotic port town in Queen Elizabeth's England. Classes and rehearsals begin March 7, 2009. The Faire runs weekends from April 4 through May 17, 2009.
